The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the establishment of the Center for Implementation Science (CIS) within the new School of Public Health at UT Southwestern in fiscal year 2022.

The entity to receive funding for this project is the University of Texas Southwestern Medical Center located at 5323 Harry Hines Blvd. Dallas, TX 75390-9122.

The funding would be used to establish a School of Public Health and create the Center for Implementation Science (CIS) to meet evolving public health challenges. The CIS will use requested funds to renovate space and purchase equipment to support community engagement, multidisciplinary training, and research to advance the reach and impact of health discoveries.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

  
Eddie Bernice Johnson  
Member of Congress
